

10 Steps to Proficient or Higher

Monday April 23 • 4:00 - 5:30pm
Conard High School, Rm. 169
110 Beachwood Road, West Hartford 06107

This workshop provides specific tips and strategies to help teachers achieve a proficient or higher summative rating. It includes an overview of teachers' rights and responsibilities, tips for a successful pre-conference, guidance on how to gracefully receive feedback (even when it's bad), how to plan for an exemplary classroom observation, and strategies to ensure learning objectives are met or exceeded. The session will be interactive, facilitated by a former administrator and evaluator, and will include "inside" secrets to help prepare educators for a successful performance evaluation.
